HOLIDAY HOME WORK (2023-24)

CLASS V

Dear students,

Holidays bring great joy. You may be planning a visit to grandmother's place or your relatives and spend time with your friends. We must use our time in a creative manner:

- ✚ Do pranayama/exercises every morning to stay fit.
- ✚ Visit a nature park or zoo
- ✚ Read books, explore about the subject of your interest
- ✚ Grow a medicinal plant and take its care. Help your elders at home
- ✚ Get creative. Learn a new skill/decorate/cook something different.
- ✚ Discard plastic. Carry your own cloth or jute bag for shopping.

ENGLISH

SCIENCE

Of all wastes we generate, plastics are perhaps the greatest threat to Earth. Plastics affect the world's tiniest organisms. However, there are plenty of ways to diminish the waste and if every person does their part, the world can be changed for better. Let us be the change and create awareness against **Single Use Plastic**.

Make an album using A-3 size sheets. Use one side of a sheet. Paste or draw colourful pictures related to the information on each sheet. Your album should show the following information –

Sheet 1: What is single use plastic? How is it a threat?

Sheet 2: Draw or paste pictures of single use plastic items. Examples plastic bottles, plastic straw, coffee cup etc.

Sheet 3: Slogan on ban on single use plastic.

Sheet 4: Why single use plastic should be banned? When single use plastic was banned in Delhi and why is it failing?

Sheet 5: What can you as children do in school and home to reduce use of single use plastic.

Read Lesson 1 More About Plants. Learn the lesson for class test and Unit test. Complete your pending work.
