

**DELHI POLICE PUBLIC SCHOOL**  
**HOLIDAY HOMEWORK 2023-24**  
**CLASS VII**

**ENGLISH**

All homework is to be done on A-4 sized, light-coloured sheets. They should be handed over in a folder, which you can make out of newspaper, but it should be labelled with the heading- Holiday Homework, your name, class, section and subject.

1. **Art Integrated project-** Imagine this summer break, you got a chance to visit Lakshadweep and Andaman and Nicobar Islands. Look up all about the tourist spots therein, its culture, cuisine, etc. Create a **scrap file** as a keepsake which should have lots of pictures of any **5 tourist places** you visited. On left side of the file, paste the pictures and label them and on the right side, write paragraphs sharing what you saw, about your experience there, about their culture, your overall impression about the places, their cuisine, etc.

2. **Life as an ant-** Based on your reading of the lesson ‘**The tiny teacher**’, imagine your life as an ant. You may choose to be a soldier/worker/cleaner/builder in the anthill. Describe your life, activities and thoughts as an ant. Use your imagination and creativity. Use the given headings to describe the same.

Name:

Age:

Your role:

Describe your daily routine:

Do you like your work? Why/why not?

Given a choice, what would you like to do? Why?

Are you happy as an ant? Why/why not?

3. **Subject enrichment activity-** You all enjoyed reading ‘Three questions. We discussed about similar stories involving Akbar and Birbal. Pick a story from the collection of Akbar and Birbal stories, write and submit the story in written form, preferable as dialogues. You may get them as *comic versions* online on sites such as – *mocomi.com*. Each story has only 3-4 main characters. Pick a story and your partners for it. Learn it during the holidays and post holidays, you will perform the same in class as a group activity. You must learn your part by heart. Each group member will be graded individually on the basis of their dialogue delivery, expression, conviction, fluency and pronunciation.

4. **Novel -** Read the novel prescribed for you this year- **The wonderful wizard of Oz** by L Frank Baum and do *any one* of the following tasks:

- Write a **book review** after reading the book. Use the given headings:

Name of the book-

Author-

Publisher and price-

Synopsis/Plot-

Main characters-

Critical review [Mention the parts which were worthy of appreciation and why, e.g., twists in the plot/complexity of characters, etc.]

Rating as a critic [out of 5 stars]-

Final word [What’s your recommendation about reading the book?]

- Pick any one episode from the novel and create a **comic strip** on it. It can be done on apps like Canva.
- Write a **diary entry** talking about your adventures and what did you learn from them.

5. **Revision worksheet-** The attached worksheet is based on the latest pattern of the examination. Please ensure you attempt it only after revising the whole syllabus for Periodic Assessment.

### **SUGGESTED BOOKS FOR READING-**

- The adventures of Huckleberry Finn by Mark Twain
- Harry Potter series by J K Rowling
- A Christmas Carol by Charles Dickens
- The hundred dresses by Eleanor Estes
- Little women by Louisa May Alcott

### **HINDI**

1. लक्षद्वीप एवं अंडमान निकोबार द्वीपसमूह के किन्हीं पाँच पर्यटक स्थलों की सचित्र जानकारी (A-4 आकार के पृष्ठों पर करें)
2. पक्षियों अथवा नदियों से संबंधित कोई एक कविता कंठस्थ कीजिए।
3. दिए गए कार्यपत्रक पूर्ण कीजिए।

[नोट:- उपर्युक्त कार्य आंतरिक मूल्यांकन के अंतर्गत जाँचा जाएगा।]

### **MATHEMATICS**

Q.1 Select any 6 tourist places of Andaman and Nicobar Islands / Lakshadweep Islands with their names. Take their printout, paste them on A-4 Sheet and make a folder.

- You need to highlight any unique mathematical concept of the tourist place, like the angles-acute angle, right angle...
- Construction design n Shape as dome, .....
- Enjoy looking at the tourist places and learn as well.

Wishing you all a very happy summer break.

### **SCIENCE**

#### **Art Integrated Learning (AIL)**

1. Make a small pictorial booklet / brochure showing 10 amazing facts of Andaman and Nicobar Islands / Lakshadweep Islands. (It should consist of food, flora and fauna of that place).
2. Collect information about any 3 insectivorous plants. Compile it on pastel sheets with pictures.

3.Do Chapter- 3, Heat worksheet and the revision worksheet for UT (Ch-1+Ch-2). [Note - Worksheets will either be shared in WhatsApp Science class group or as a separate attachment on the school website]

### **SOCIAL SCIENCE**

A. Prepare a PROJECT on the topic “THE ISLANDS OF INDIA” i.e. (Lakshadweep & Andaman and Nicobar Islands) depicting the various aspects of these two island groups. The project should include the following headings: -

- Location and the extent of these islands
- Tribes live on these islands (culture and food)
- Important tourist spots
- Flora and Fauna of these Islands
- Unknown facts about these two Islands
- What separates Andaman and Nicobar Islands?

[Note: Each sub topic should be covered in 1-2 pages each. Feel free to include many pictures/ images/ maps to make it interesting.]

#### **Guidelines to make the project:**

- The project should be handwritten on the light colour A4 size sheets only.
- Add pictures and newspaper cuttings to support your project.
- The project must have the following details (Name, Class & Section of the student & Index.
- Do not use glitter pens & Red & Green colour pens.
- The project should be spiral bind properly.
