

**DELHI POLICE PUBLIC SCHOOL**  
**HOLIDAY HOMEWORK- (2024-25)**  
**CLASS VI**

**Dear learners,**

While we keep pace with the world outside, let us not forget to prioritize our family relationships and optimise time to protect our mental health. A few helpful tips one should follow are:

- a. Interact often with your parents and grandparents. Meet your cousins & siblings.
- b. Involve yourself in a hobby you love the most.
- c. Learning doesn't happen only indoors. Spend time outdoors. Nature's mysteries and miracles too  
    impart noteworthy lessons.
- d. Play board games, solve a Rubik's cube or puzzles in a newspaper.
- e. Read a new book and journal your emotions, feelings, ideas and decisions.
- f. Engage in art, music, drama & writing to boost your creativity.
- g. Spend half an hour daily in meditation.

And there is no best time than the holidays to begin it. **HAPPY VACATIONS!**

## **ENGLISH**

**I.** Embraced with vast lagoons from all sides, Lakshadweep thrives as one of the most sought-after destinations for exhilarating water sports in the country. This island also presents a mesmerizing and rich marine diversity. Marine life refers to a diverse range of living creatures including plants, animals, fishes and microbes.

Explore these areas and present a **project on Adventure Sports and Marine Diversity in Lakshadweep**. You may include a **short note** on select 6 water sports along with the **pointers on 'Things to carry'** and the **'Best islands for the Activity'**. Likewise, for Marine diversity, a short note on a few living creatures can be written. Support your work with colourful pics and collages.

**II. Creative writing** is indeed fun! It is a fantastic way to explore our imagination and process our feelings. Pen down your original ideas on any below given topic of your interest and express it by way of a poem / article / short story / painting / caricature / comic strip / etc.

1. Enjoy the Little Things
2. Memorable School Experience
3. What Life would be Without Machines (or The Slow Life)

4. Friendship / My Mother / Homework / Little Fish / Table Manners / Our Mother Nature / Skies
5. Self-driving Cars or the Flying Cars?
6. I Wish upon a Shooting Star
7. The Wonders of Science
8. The Joys of Living

**III.** In a world that is brimming with technological gadgets, gifting and reading a book is a timeless

& invaluable treasure. Books fuel our curiosity to learn and contribute to language development. Below given list of books is a must read by all. Nevertheless, you are free to explore other fictional and non-fictional titles as well. **HAPPY READING!**

1. 'When Elephant had wings & Other Funny Stories' by Janhavi Samant
2. Grandma's Bag of Stories by Sudha Murty

**IV.** A great writer once said, "My pencil outlasts their erasers". When we work on the Art of **Revision**, we always get the better version of ourselves. These vacations, make sure that you revise (both, oral and written) all the topics done in English subject. It will help build your confidence and score better in the upcoming UT exam in July 24.

## **MATHEMATICS**

Lakshadweep and Andman-Nicobar islands refer to a group of islands attracting tourists from all over world. Both are Union Territories of India. Prepare a small, informative and neat project on these two covering the information on the following points:

1. Number of total islands and inhabited islands.
2. Area
3. Location
4. Population (male and female)
5. Gender ratio
6. Literacy ratio
7. Population density

Paste some pictures also showing different prominent historical places of these islands to make your project attractive and interesting.

## **SOCIAL SCIENCE**

A. Prepare a **Travelogue or travel Brochure** on the topic “**THE ISLANDS OF INDIA**” i.e. (Lakshadweep & Andaman and Nicobar island or Lakshadweep ) depicting the various aspects of any of these two island groups . The Travelogue or Brochure should include the following headings: -

- Map of the island
- Lives of the people living on these islands (culture and food )
- Important tourist spots
- Historical backgrounds
- Language spoken
- Tribal History
- Best time to visit
- How to reach and cost of traveling per person etc
- Unique facts (like as coral islands, Barren island with active volcano of India )

. Feel free to include many pictures/ images/ maps to make it interesting.

### **Guideline to make the project.**

- The project should be handwritten on the light colour size sheets only.
- Add pictures and newspaper cuttings to support your holiday homework .
- The Home work must have the following details **(Name, Class & Section of the student & Index.**
- **Do not use** glitter pens & Red & Green colour pens.

## **COMPUTERS**

Gardening -Raising saplings from our household herbs and nurturing them with kitchen waste is the best time to utilise these vacations.

Adopt a plant and share your feelings for the same on a slide of MS POWERPOINT and then make other slides with steps starting from sapling/planting to harvesting.

Also, you can make a small video for the same and insert them in one of the slide.
